Consumer fraud and identity theft are becoming an epidemic in our communities. Have your confidential documents destroyed on site, for FREE. Whether it's small business documents that are no longer needed or personal papers that need to be safely disposed of, Shred-it's trucks contain cutting-edge proprietary paper shredding technology that can handle the job.

CONFIDENTIAL

Up to 3 file boxes
per person
FREE

Drop off your documents then stay for some music, games, food and beverages at our festival.
